

Year 3 Gold's Learning Adventures!

**For science this term we have been learning about
“Wonderful Water”!**

We searched around our school to find different places we use water.

Here are some of the things we found.

*We have also been
learning about
different emotions!*

This term we also had great fun during our Edu Dance classes. We all learnt some great new dance moves!

ON THURSDAY 7TH APRIL WE WENT TO THE SOHOENSTATT SHRINE IN ARMADALE TO HELP US PREPARE FOR OUR RECONCILIATION NEXT TERM. WE ALL HAD A WONDERFUL TIME AND LEARNT LOTS OF NEW THINGS!
