

Year 4 Gold

Our teachers are:
Mrs. Marijan
&
Ms. Ferguson

WELCOME TO YEAR 4 GOLD.

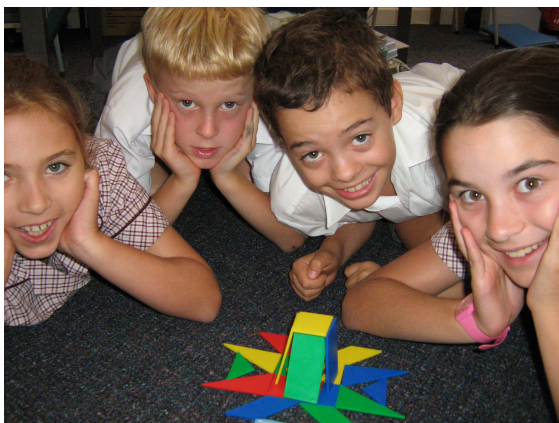

This is a very special year as we are preparing for our First Holy Communion. We have had our Information Evening and our commitment mass. In June we will be going on a retreat day to the Schoenstatt Shrine. We look forward to learning more about receiving the Eucharist.

W.O.W. Word of the Week

Every week Mrs. Marijan provides a new W.O.W for us to learn. These words come from our other subjects and may be unusual or difficult to spell.

Maths

In maths we have been learning about measurement. We are learning to measure the perimeter and area of shapes and surfaces.

Science

IN SCIENCE WE HAVE BEEN INVESTIGATING LIGHT IN THE PRIMARY CONNECTIONS PROGRAM CALLED, "LIGHT FANTASTIC"
