

## Kindy Gold

I play 'house' in the Home Corner.....Maybe I will grow up to be a Mummy or a Daddy.

I read books in the Book Corner.....Maybe I will grow up to be a Teacher.

I play with my friends at the Train Table.....Maybe I will grow up to be an Engineer.

I paint on the easels....Maybe I will grow up to be an artist.

I squeeze and roll the Play dough at the Play dough table...maybe I will grow up to be a Sculptor.
